## Adventure Awaits: Start Saving Early!

➔ Hey, young savers! Get ready to embark on an exciting journey into the wonderful world of saving money. Trust us; it's more fun than finding treasure at the end of a rainbow!

Picture this: You're the captain of your own savings ship, sailing through the seas of financial freedom. But why start this adventure early? Let's dive into the marvelous benefits:

- 1. Magical Money Growth:** Saving early is like planting a money seed that grows into a mighty money tree. The sooner you start, the more time your money has to sprout and multiply. It's like watching your savings grow wings and take flight!
- 2. Superhero Spending Powers:** Saving early teaches you to be a spending superhero. You'll learn how to make smart choices with your money, like knowing when to splurge on that shiny new toy or save up for something even bigger and better.

- 3. Epic Adventures Await:** Saving early means you're ready for any adventure life throws your way. Whether it's saving up for a thrilling theme park trip or a daring dinosaur expedition, having money set aside means you're always prepared for the next big adventure.

- 4. Dreams Do Come True:** When you save early, you're turning your dreams into reality. Want to become a space explorer or a master chef? Saving now means you'll have the funds to chase those dreams and make them come true.

So, fellow adventurers, are you ready to set sail on the savings seas? Grab your compass (or piggy bank) and get ready for the adventure of a lifetime!

Remember, every penny you save is a step closer to your dreams. So keep saving, keep dreaming, and let's make some magical money memories together!

# Benefits of Your Kids Club Account

➔ **If it's been a while since you opened your Kids Club savings account at Maui County Federal Credit Union, let's take a moment to reintroduce you to the fun things that come with your account.** Every time you come into any of our branches in Kahului, Lahaina or Wailuku, and deposit money into your account, you will receive a token for every \$10 you deposit, up to \$50 per day. So, if you received \$40 for a gift and come in to deposit it, you will receive four tokens. Save up your tokens and then redeem them for a prize of your choice. Only you can receive

and redeem tokens, adults can't do it for you.

There are prizes for 5, 10, 25 and 50 tokens, so you can redeem your tokens instantly if you make a deposit of \$50 or more for a five-token prize. Or you can save up your tokens to redeem them for a bigger prize. The great part is that your tokens do not expire, so you can save them up for a prize that you really want. To the right are the prizes available and how many tokens you will need redeem to get the prize or drop by any of branches to see the latest toys. Stay tuned for new prizes.

In addition to receiving a token for every \$10 you deposit into your bank account (up to \$50 per day), your Kids Club Account gives you double the tokens for deposits made during your birthday month, so if you deposit \$25 of the money you received for your birthday, you will get five tokens.

Plus, Maui County Federal Credit Union will reward you for your good grades. Bring in your report card during the month it's received and we will deposit \$1 into your account for every "A" or "ME" grade, up to \$5 per quarter.

## We LOVE our Super Savers!

Join these superstar savers by saving money in your Kids Club account. For every \$10 deposited, you'll receive one token up to \$50 per day. Tokens can be redeemed for cool stuff in our Kids Club Prize Corner, with prizes ranging from 2 - 50 tokens. New prizes drops are announced in this Hoku Iki newsletters every three months.
