Grow Your Savings in the New Year

It's a new year and no better time to increase your savings by depositing some of the money you may have received over the holidays. As a rule of thumb, it's a good habit to save 10 percent or ten cents for every dollar you received.

Savings money in your Kids Club account is easy, just come into any of our branches in Kahului, Lahaina or Wailuku to make a deposit and you will receive a token for every \$10 you deposit, up to \$50 per day. So, if you received \$40 for a gift and come in to deposit it, you will receive four tokens. Save up your tokens and then redeem them for a prize of your choice. Only you can receive and redeem tokens, adults can't do it for you.

There are prizes for two to 50 tokens, so you can redeem your tokens instantly if you make a deposit of \$50 or more for a five-token prize. Or you can save up your tokens to redeem them for a bigger prize.

The great part is that your tokens do not expire, so you can save them up for a prize that you really want. To the right are the prizes available and how many tokens you will need to redeem to get the prize or drop by any of branches to see the latest toys. Stay tuned for new prizes.

In addition to receiving a token for every \$10 you deposit into your bank account (up to \$50 per day), your Kids Club Account gives you double the tokens for deposits made during your birthday month, so if you deposit \$25 of the money you received for your birthday, you will get five tokens.

Plus, Maui County Federal Credit Union will reward you for your good grades. Bring in your report card during the month it's received and we will deposit \$1 into your account for every "A" or "ME" grade, up to \$5 per quarter.
