THE OFFICIAL NEWSLETTER for MAUI COUNTY FCU KIDS!

Money Moves: Your Finance Adventure!

➔ April is Financial Literacy Month, and just like a great summer adventure needs a plan, your money journey needs one too! This spring, let's gear up with smart money skills that will carry you all the way through summer and beyond!

Pack Your Savings Backpack

Every great adventure starts with the right gear! Your savings account at Maui County Federal Credit Union is like a trusty backpack that holds everything you need. Every time you save a little, you're packing your bag for something amazing. Pick a goal – maybe a summer trip, a new game, or a special treat – and start packing!

Map Out Your Money

Every explorer needs a map, and a budget is yours! Write down the money you have coming in (allowance, birthday cash, chore earnings) and the things you want to spend it on. A good map keeps you from getting lost – and a good budget keeps you from running out of money before you reach your destination!

Be a Smart Shopper

The best adventurers always scout ahead! Before buying something, check if it's on sale, compare prices at different stores, or ask yourself if you really need it right now. Waiting just a little while can sometimes mean saving a lot!

Share the Adventure

The best trips are better with others! Set aside a small piece of your money to help someone in need – like our local food bank or animal shelter. Giving feels just as good as getting, and it makes the whole community a better place to explore.

Level Up Your Money Skills

The more skills an adventurer has, the further they can go! Read books about money, play games that teach saving and spending, or ask a parent or teacher to help you learn more. You can even earn extra money this summer by helping neighbors with chores or yard work.

This Financial Literacy Month, lace up your boots and get ready for the smartest adventure yet – the one that sets you up for a lifetime of financial success. Let's go!
