THE OFFICIAL NEWSLETTER *for* MAUI COUNTY FCU KIDS!

Summer Savings Superheroes!

Welcome, money explorer!

Whether you're brand new to smart money skills or you've been building them all year, this summer is your time to shine. Maui County FCU is here to help every step of the way!

Pack your savings backpack

Your savings account is like a trusty backpack – every dollar you add is gear for your next adventure. Pick one summer goal (a beach toy, a game, a special outing) and save a little at a time until you get there. Your account at Maui County FCU is the perfect place to keep it safe and growing.

Map out your money

A budget is your money map! Write down what you expect to earn (allowance, chores, gifts) and what you want to spend it on. Matching what comes in with what goes out means no running out of money before summer ends.

Become a summer money earner

More free time means more chances to

earn! Walk dogs, water neighbors' plants, sell lemonade, or help with yard work. Every dollar you earn feels extra special – because you made it happen.

Be a smart shopper

Before buying something, try the 24-hour rule: wait a day and see if you still want it. Also check for sales and compare prices. Waiting a little can mean saving a lot – and that money stays in your backpack for something even better.

Give a little aloha

Giving is one of the most powerful things you can do with money. Set aside even a few coins for the food bank, animal shelter, or a neighbor in need. The spirit of aloha includes caring for each other – and sharing makes our whole community stronger.

You've got this! Save toward a goal, plan your spending, earn your own way, shop smart, and give aloha – five habits that will carry you through summer and beyond. Maui County FCU is cheering you on every step of the way!
