APRIL  
2023

THE OFFICIAL NEWSLETTER *for* MAUI COUNTY FCU KIDS!

## Unleash Your Saving Power

April is National Credit Union Youth Month, the time each year when credit unions across the United States teach and encourage kids to develop strong financial habits. This year's theme is Unleash the Power of Saving at Your Credit Union™.

At Maui County Federal Credit Union we want to help you to start saving at an early age so that you can see your money grow. As a Kids Club member, you already have an interest-bearing savings account where you are paid a small sum of interest on the money you have in your account. With compounding interest over a long period of time, you could see your savings grow exponentially.

To celebrate National Credit Union Month throughout the month of April, we're doing even more to support you in growing your savings. If you have some money that you've earned or were gifted, complete the coloring on the back and bring it in to any of our locations, and you'll receive twice as many tokens for your deposit of up to \$50!

So if you make a \$50 deposit, you'll receive 10 tokens that you can redeem for a prize from our Kids Club prize corner or save to redeem in the future.

This year, we're also participating in the National Youth Saving Challenge™. The Challenge is free and open to all youth under 18 who visit a participating credit union during April. While you are encouraged to make a deposit at the credit union, no deposit is required to enter.

You must get your parent or guardian's permission to enter and submit an entry form with the following information: name, date and your current age. Limit one entry per person. Odds of winning depend on number of entrants. This contest is void where prohibited.

In May, Credit Union National Association will randomly select and give a \$1,000 grand prize to a participating credit union. That credit union will then randomly select 10 winners from its entrants. Your credit union will notify you if you are a winner.
